

The native butterflies gracing these note cards were encountered by Wisconsin nature photographer Ann Thering at locations throughout Wisconsin. The blank cards are printed on heavy card stock by a local Madison, Wisconsin, printer using environmentally friendly vegetable-based inks and partially recycled paper. The cards are carefully packaged in a clear bag to protect the finish.

A portion of the profits is donated to The Prairie Enthusiasts, a volunteer-based group working to restore and protect the lands where these butterflies are found.

A set of four cards is \$10. Postage and handling within the continental U.S. is \$2 per set of 4 cards. Please print clearly. Thank you for your order!
